**SECOND AMENDMENT AND RESPONSE UNDER 37 CFR §1.116**

This Amendment and Response replaces the Amendment submitted on November 20, 2007. Applicants received a second Advisory Action dated December 6, 2007, indicating that the November 20, 2007 amendments were not being entered because they would have required further consideration. This Amendment and Response removes the material believed to have warranted additional consideration, and it is therefore believed that the subject amendment can and will be entered into the case. After entry of the amendment, it is believed that the claims will be in condition for allowance.

Applicants previously petitioned and paid for a two-month extension of time (calculated from the date of submission of the Notice of Appeal). Applicants hereby petition for an additional one-month extension of time, making this document timely if filed on or before **December 20, 2007**. Applicants are paying the additional extension fee (\$525.00 - \$230.00 = \$295.00) via EFS herewith; if the Commissioner concludes that additional fees are required to submit this Amendment and Response, please charge any such necessary fees to Deposit Account 02-4550.

**Amendments to the Claims** are reflected in the listing of claims, which begins on page 2.

**Remarks** begin on page 4, and end with a brief Conclusion on page 5.
